

The Street Hockey "HERALD"

Thursday 26 February 2015

O.K. Street Hockey fans, we're back with more great game highlights for you. This time around the Castle Hill Knights take on the Lightning from C.S. 67. These two (2) games promised to be exciting, as both teams tried to get to a fast start and keep pace with the league leaders. "Let's play street hockey".

In the first of the two games, the Knights were in control as they were able to manipulate the ball on both ends. The Lightning couldn't piece it together in time to stop the "Knight in Shining Hockey Stick", Wesley "The Sniper" Figueroa. Figueroa pulled in a hat trick and then some, as he scored (5) goals, which led his team to the victory over the Lightning. The combination of the Knights' Gavin O'Keefe and Ali Khan secured the victory as both goaltenders pitched a shutout in the nets.

"Knights Slay The Lightning"

These games featured nonstop action, from start to finish.

The second game told a different story as the Lightning got their bearings and were able to puncture the Knights' defensive shield. The Knights' Dante Adamson got his team on the board with a goal to start the game. The Lightning's Nathan Kabango was able to maneuver his way in and find the back of the net to tie the game at 1. Just before the end of the first half, Myia Tucker put one into the net to give the Knights the lead. In the second half, the Lightning had their work cut out for them as the "Sniper" Wesley Figueroa scored two (2) more goals giving him five (7) on the day. The Lightning was able to score another goal as Nathan Kabango scored his second of the game. The Knights, however, put the icing on the cake when Myia Tucker scored her second of the game and gave the Knights the win over the Lightning by the score of 5 to 2.
